

Goodnight, Mr. Matthews

Icehouse

I'm playing my cards on the table no secrets,
No sense of direction its tough, baby,
It's no party I said something I lost a connection
And it's all I can do to forget about you Loving you is such a fascination
'Cause I've loved you so long
And my love is so strong
But you know a certain party's missing I'll sit by the window
Now you sit anywhere that you want to
Sitting in the sunshine now we're hoping,
As we're supposed to do If I get down on my knees
Would you forgive me, please
It's only that my heart is aching
And it's all over you not a thing I can do little pieces of my world are falling,
It's a good night
"Goodnight, Mr. Matthews, now, no talking
The others are sleeping, there's always tomorrow" Better come back soon
'Cause I love only you
No other will do
Loving you is such a fascination And I've told you before
Only you know the score
But you know a certain part is missing
If I go down on my knees Would you forgive me, please
It's only that my heart is breaking
But it's a very temporary thing
It just happens all the time Little pieces of my world are falling,
It's a good night
