What You Done

Young Ejecta

i didn't do you wrong cos i long for your love
you could've told me how hard it was to be your love
well now, i can seei'd never do what you done to meno! i wouldn't tell you i never loved you
i, i didn't sleep with somebody else
y'know, i couldn't keep you up all night
just thinking, are you ever gonna take me backi shoulda did it to you before you did it to me
but i have a heart that loves and a heart that bleeds
tell me i can stay, here in your heart
know that i am coming, coming into your heart
tell me i can stay, here in your heart
i tell you i am coming, coming into your heart
