Under Your Spell

Tara

I lived my life in shadow
Never the sun on my face
It didn't seem so sad, though
I figured that was my place
Now Im bathed in light
Something just isn't rightIm under your spell
How else could it be
Anyone would notice me?
It's magic, I can tell
How you set me free
Brought me out so easilyI saw a world enchanted
Spirits and charms in the air
I always took for granted
I was the only one there
But your power shone
Brighter than any Ive knownIm under your spell
Nothing I can do
You just took my soul with you
You worked your charm so well
Finally, I knew
Everything I dreamed was trueYou made me believeThe moon to the tide
I can feel you insideIm under your spell
Surging like the sea
Wanting you so helplessly
I break with every swell
Lost in ecstasy
Spread beneath my willow treeYou make me com-plete
You make me com-plete
You make me com-plete
You make me
