I came apart inside a world made of angry people
I found a boy who had a dream, making everyone smile
 He was sunshine, I fell over
 My feet like bricks underwater
And how am I supposed to tell you how I feel?
 I need oxygen
 Oh baby, if I was your lady
 I would make you happy
I'm never gonna leave, never gonna leave
 Oh baby, I will be your lady
 I am going crazy for you
And so I found a state of mind where I could be speechless
 I had to try it for a while to figure out this feeling
 This felt so right pull me upside down
 To a place where you've been waiting
And how am I supposed to tell you how I feel?
 I need oxygen
 Oh baby, if I was your lady
 I would make you happy
I'm never gonna leave, never gonna leave
 Oh baby, I will be your lady
 I am going crazy for you
And you don't want to keep me waiting
 Staring at my fingers, feeling like a fool
 Oh baby, I will be your lady
 I will make you happy
I'm never gonna leave, never gonna leave
 Oh baby, I will be your lady
 I am going crazy, yeah, oh, oh, oh
 Tell me what you want
 Baby, tell me what you need
 Anything I ask baby, give it to me
 Baby, give it to me, give it to me
I came apart inside a world made of angry people
I found a boy who had a dream, making everyone smile
