falling

N-Sync

I don't know how, I don't know why
But girl it seems you've touched my life
You're in my dreams, you're in my heart
I'm not myself when we're apartSomething strange has come over me
A raging wind across my seas
And girl you know that your eyes are to blame
And what am I supposed to do if I can't get over you?
I come to find that you don't feel the same'Cause I'm falling, girl I'm falling for you
And I pray you're falling too, I've been falling, falling
Ever since the moment I laid eyes on youI lose my step, I lose my ground
I lose my self when you're around
I'm holding on for my life
To keep from drowning in your eyesGirl, what have you done to me?
To make me fall so desperately
To think that I don't even know your name
No, no, how am I supposed to live if I can't get over this?
You decide you don't feel the same'Cause I'm falling, falling, girl I'm falling for you
And I pray you're falling too, I've been falling, fallingWill you stay or will you go?
Heaven, heaven knows what my future holds
Questions, questions linger on my mind
Day break from day break to dark of night
I'm fallin', I don't know what's come over meCan't you see that I'm falling, falling? Girl I'm falling for you
And I pray you're falling too, I've been falling, falling
Ever since the moment I laid eyes on you
