

Say

Kem

Baby say
What's on your mind
What's on your mind
I've been here all morning waitin'
For your answer I'm waitin'
I've been sober long enough to remember
How good love is, how sweet your love is
Notwithstanding my crime
Say, yeah you remember
How good love can be baby
Say, yeah you'll never lose
Your faith in me baby yeah
You fall to pieces
And I destroy what we have
Is this how our story will end baby
I can't live for tomorrow and I surrender today
With all of its heartache all it's pain
Baby baby love of mine
Say you remember
How good love can be baby
Say you'll never lose

Your faith in me baby yeah
Say you'll never leave me
Here in the dark oh baby
Say, but don't walk away, yeah
Don't leave me here
'Cause' I don't wanna stay here
Don't wanna stay here
Girl say, say what's on your mind
Don't walk away
Leave me hangin' on baby
Say you'll never leave me hear
In the dark baby, baby, baby, baby
Please send me your love
I wanna hear what you have to say baby
Say what's on your mind yeah baby
Say that I still hold my place in your heart baby
Say what's on your mind baby

Say what's on your mind baby
Oh, yeah, say
