

# Trailer For Rent

## Pistol Annies

i left the beans on i put my jeans on and i drove down to the Jonesville News in times i said to the man i need to place an add how much will it be for these four lines cause my husbands pissed me off for the last time trailer for rent no down payment comes with some holes and dents where i got tired of his shit call if your interested trailer for rent its benn ten years ten thousand beers and hes still sitin right there on the couch i played misses and ive done the dishes bout time somebody got the hell out my phone ought to be ringing right about now cause theres a trailer for rent no down payment comes with some holes and dents where i got tired of his shit call if your inerested trailer for rent (music plays) theres a trailer for rent (trailer for rent) no down payment (no down payment) comes with some holes and dents where i got tired of his shit you better call if your interested trailer for rent.
