

Beautiful Stranger (Calderone club mix)

Madonna

Haven't we met
You're some kind of beautiful stranger
You could be good for me
I have a taste for danger If I'm smart then I'll run away
But I'm not so I guess I'll stay
Heaven forbid
I take my chance on a beautiful stranger I looked into your eyes
And my world came tumbling down
You're the devil in disguise
That's why I'm singing this song To know you is to love you
You're everywhere I go
And everybody knows To love you is to be part of you I pay for you with tears
And swallow all my pride Ta da da da da da da da da da da
Beautiful stranger
Ta da da da da da da da da da da da da da da
Beautiful stranger If I'm smart then I'll run away
But I'm not so I guess I'll stay
Heaven you heard
I fell in love with a beautiful stranger I looked into your face
My heart was dancing all over the place
I liked to change my point of view
If I could just forget about you
If I'm smart then I'll run away
But I'm not so I guess I'll stay
Heaven forbid
I take my chance on a beautiful stranger I looked into your eyes
And my world came tumbling down
You're the devil in disguise
That's why I'm singing this song to you To know you is to love you You're everywhere I go
And everybody knows
I pay for you with tears
And swallow all my pride Ta da da da da da da da da da da da da da da
Beautiful stranger
Ta da da da da da da da da da da da da da da
Beautiful stranger
