

All Day All Night

Bob Marley & The Wailers

Wohoo, Said I'd never gonna give my love to no other but you baby(you baby)

And if I'm gonna give my love to nobody but you baby (but you baby)

so love me (forever)

i said love me (forever)

ohh baby (oohh) love me baby not just pleasure

Love me always forever

Cuz I love you,

Shouldnt be bettehSaid im given my love to you baby, youve got my love, youve got my love

Right now!

Said im given my love to you baby, youve got my love, youve got my love

So dont you never give your love to no body but me baby (but me baby)

Dont you never give your love to no body but me baby (but me babe)

hey, All day (and aaaall night)

I said all day (and aaall night)

(oohh) Our love needs protection

Our love needs direction

I love youSaid im given my love to you baby, youve got my love, youve got my love

I mean what i say

Said im given my love to you baby, youve got my love, youve got my loveWhoo

I'm never gonna give my love to nobody but you baby(but you baby)

Never gonna give my love to nobody but you baby(but you baby)

I'll never gonna give my love to nobody but you baby (but you baby)

Never gonna give my love to nobody but you baby(but you baby)Said im given my love to you baby, youve got my love, youve got my love

Right now!

Said im given my love to you baby, (ohh baby)youve got my love, youve got my love

(oohh)Never gonna give my love to nobody but you baby(but you baby)

I'll never give my love to no other but you baby(but you baby)

Love me (forever)

I said love me (forever)

Ohh baby (ooohhh) love me baby not just pleasure

Love me always forever

Cuz I love you,

Baby now
