

# The Nun's Litany (Alternate Vocal Version)

## The Magnetic Fields

I want to be a Playboys bunny  
Id do whatever they asked me to  
Id meet people with lots of money  
And they would love me like I loved youI want to be a topless waitress  
I want my mother to shed one tear  
Id throw away this old sedate dress  
Slip into something a tad more sheerI want to be an artists model  
An Odalisque Au Naturel  
I should be good at spin the bottle  
While Ive still got something left to sellI want to be a cobra dancer  
With little Willie between my thighs  
I may not find a cure for cancer  
But Ill meet plenty of single guysI want to be a brothel worker  
Ive always been treated like one  
If I could be a back-street lurker  
Id make more money and have more funI want to be a dominatrix  
Which isnt like me, but I can dream  
Learn S&M and all those gay tricks  
And men will pay me to make them screamI want to be a porno starlet  
For that Ill wait til Mamas dead  
Ill see my name in lights of scarlet  
And get to spend every day in bedI want to be a tattooed lady  
Dedicated as I am to art  
Character's bold, complex and shady  
Will write my memoirs across my heart
