Damn I Miss The Game

Cassidy

[Chorus]
Damn I miss the damn I miss the damn I miss the game
Game, when it's gon' come back, come back
I'm gettin tired of the dumb rap, dumb rap
Man I done been there and done that, let's move on
Damn I miss the damn I miss the game
Game, when it's gon' come back, come back
I'm gettin tired of the dumb rap, dumb rap
Man I done been there and done that, let's move onDamn I used to love this rap shit
When it was on some gold rope, Kangol hat shit
Now e'ry rapper on some bust-that-gat shit
Cut-that-crack shit, fuck that whack shit
Public Enemy was on some power to black shit
Rap cats need to get back on that shit (real tough)
They need to try switchin they flows
Cause all of our women ain't bitches and hoes
And e'ry rapper out got a brick on the stove
and his wrists all froze, and he whippin the Rolls
To hear that, I can listen to Hov'
You bullshit and then you gettin exposed (y'knah wah im talkin bout)[Chorus]Yo what happened to the game?
All these niggaz rappin the same and that's lame (that's lame)
Cats hustlin, bustin they gat
But Kurtis Blow wasn't talkin 'bout hustlin crack
Now e'rybody on the grind (uh-huh)
But Run-D.M.C. never killed nobody in their rhyme (nah nah)
They wasn't on that beef shit (uh-uh)
And Melle Mel was the first one to talk that street shit
But e'ry since N.W.A. came out
Cats turned gangster and took that same route (MAAAN~!)
To hear that I could listen to 'Pac
You bullshittin and I'm wishin it'd stop[Chorus]I don't even listen to rap now
It make my head hurt when I listen to cats now
They sound like they all rhymin in one route
So take the industry and put 'em all in one group
Since they on the same page (yeah)
We should be able to boo them dudes offa the same stage (boo)
F'real, I still love this rap shit
Even though the A runnin with that snap shit
Even though the Bay runnin with that hyphy

When I get on the mic niggaz still won't like me
To hear crack, you can listen to me
You bullshittin, you ain't sicker than me, uh-huh[Chorus]On
Let's move oh-o
Let's move on
Let's move oh on
Aw yeah
We gotta move on
