

# I'll Be Missing You (feat 112)

## Puff Daddy & Faith Evans

Yeah, this right here goes out to everyone  
that has lost someone that they truly loved  
Check it out...Seems like yesterday we used to rock the show  
I laced the track, you locked the flow  
So far from hangin' on the block for dough  
Notorious they came to know that  
Life ain't always what it seem to be  
Words can't express what you mean to me  
Even though you're gone we still a team  
Through your family I'll fulfill your dream  
In the future can't wait to see if you  
Open up the gates for me  
Reminisce sometimes, the night they took my friend  
Try to black it out, but it plays again  
When it's real feelings hard to conceal  
Can't imagine all the pain I feel  
Give anything to hear half your breath  
I know you're still livin' your life after death Every step I take  
Every move I make  
Every single day  
Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
What a life to take What a bond to break  
I'll be missing you  
It's kinda hard with you not around  
Know you in heaven smilin' down  
Watching us while we pray for you  
Everyday we pray for you  
Till the day we meet again  
In my heart is where I keep you friend  
Memories give me the strength I need to proceed  
Strength I need to believe  
My thoughts, Big, I just can't define  
Wish I could turn back the hands of time  
Us in the six, shop for new clothes and kicks  
You and me takin' flicks  
Makin' hits, stages they receive you on Still can't believe you're gone

Give anything to hear half your breath  
I know you're still livin' your life after death Every step I take  
Every move I make  
Every single day  
Every time I pray  
I'll be missing you  
Thinking of the day When you went away  
What a life to take  
What a bond to break  
I'll be missing you Somebody tell me why...  
On that morning  
When this life is over I know, I'll see your face Every night I pray (we miss you)  
Every step I take (we miss you)  
Every move I make (we miss you)  
Every single day (we miss you)  
Every step I take (we miss you)  
Every move I make (we miss you)  
Every single day (we miss you)  
Every time I pray (we miss you)  
I'll be missing you (we miss you)  
Thinking of the day (we miss you)  
When you went away (we miss you)  
What a life to take (we miss you)  
What a bond to break (we miss you)  
I'll be missing you (we miss you)
