

# Quick Fix

## Ministry

Put it country simple  
Earth has a lot of things other folks might want  
Like the whole planet  
And maybe these folks would like a few changes made  
Like more carbon dioxide in the atmosphere  
And room for their way of life  
We've seen this happen before, right in these United States  
Your way of life destroyed the Indian's way of life  
The Indian reservation is extinction  
But I offer this distinction  
I'm with the invaders, no use trying to hide that  
And at the same time  
I disagree with some of the things they are doing  
Oh, we're not united any more than you are  
Oh, we're not united any more than you are  
Conservative faction is set on nuclear war  
As a solution to the Indian personality  
Others disagree, others disagree, others disagree  
I don't claim that my motives are 100 percent humane  
But I do say, if we can't think up anything quieter  
And tidier than that  
We aren't all that much better than [Incomprehensible]  
There is no place else to go, the theater is closed  
There is no place else to go, the theater is closed  
Cut word lines, cut music lines  
Smash the control images, smash the control machine
