

# Charades

## Ma Jolie

boy, you're so sexy, you think you got a made  
you smile when you lie. get away from me  
you're talking out two sides of your face  
i'm supposed go along, not ok!

chorus:

i'm so guarded, i've been hurt, see  
i'm so cold now, someone burned me

yeah, i like you, yeah you like me  
but i can see  
your charades  
i can see, i can see, i can see  
your charades

i can see, i can see, i can see  
oh, you got me guarded like an army grenade  
don't hurt me, i don't have what it takes  
if you wonder why i'm throwing you shade  
your charades!

i like models, athletes. i like rappers  
i like different kinds of shades, different swaggers  
oh, oh, but i can see beyond a face and a kiss  
oh, if something's deeper i'm so hard i won't miss

chorus:

i'm so guarded, i've been hurt, see  
i'm so cold now, someone burned me  
yeah, i like you, yeah you like me  
but i can see

your charades  
i can see, i can see, i can see  
your charades  
i can see, i can see, i can see  
oh, you got me guarded like an army grenade  
don't hurt me, i don't have what it takes  
if you wonder why i'm throwing you shade  
your charades!

don't play me. i'm not a show.  
i know you did it before.  
i'm not that girl.  
no i'm not that broad.

yes yes get along.  
respect me or get gone.  
i ain?t about that life dot com period  
i ain?t about that life dot com period  
chorus:  
i can see  
your charades  
i can see, i can see, i can see  
your charades  
i can see, i can see, i can see your charades  
oh, you got me guarded like an army grenade  
don?t hurt me, i don?t have what it takes  
if you wonder why i?m throwing your shade  
your charades!  
i can see your charades  
yeah, uh!
