

Let It Snow! Let It Snow! Let It Snow!

Emilie-Claire Barlow

Oh, the weather outside is frightful
 But the fire is so delightful
 And since we've no place to go
Let it snow, let it snow, let it snow
 It doesn't show signs of stopping
And I've bought some corn for popping
 The lights are turned away down low
 Let it snow, let it snow, let it snow
 When we finally kiss goodnight
How I'll hate going out in the storm
 But if you'll really hold me tight
 All the way home I'll be warm
 The fire is slowly dying
And, my dear, we're still good-bying
 But as long as you love me so
 Let it snow, let it snow, let it snow
 When we finally kiss goodnight
How I'll hate going out in the storm
 But if you'll really hold me tight
 All the way home I'll be warm
 The fire is slowly dying
And my dear, we're still good-bying
 But as long as you love me so
 Let it snow, let it snow, let it snow
 Let it snow, let it snow, let it snow
 Let it snow, let it snow, let it snow
