

My Man (The REAL Fanny Brice)

Barbra Streisand

Oh my man I love him so
He'll never know
All my life is just despair
But I don't care
When he takes me in his arms
The world is bright, alright What's the difference if I say
I'll go away
When I know, I'll come back
On my knees someday
For whatever my man is
I am his forever more It cost me a lot
But there's one thing that I've got
It's my man
Cold and wet, tired you bet
But all that I soon forget
With my man He's not much for looks
And no hero out of books
He's my man
Two or three girls has he
That he likes as well as me
But I love him Oh my man I love him so
He'll never know
All my life is just despair
But I don't care
When he takes me in his arms
The world is bright, alright What's the difference if I say
I'll go away
When I know I'll come back
On my knees someday
For whatever my man is
I am his forever more
