Good Together

Inca Silver

Oh, I could talk all night with you
Lying by your side
All about the times we've had
And everything to come

We're always good together
And with you I don't feel so alone
We're always good together
And I can't wait to get back home

Oh, sitting in my hotel room
In a city far away
Without you I'm secluded
There's no magic out to play

And we're always good together
And with you I don't feel so alone
We're always good together
And I can't wait to get back home

We're always good together
And I can't wait to get back home

Home
(Give me a minute of your time)
Home
Home
(Give me a minute of your time)

Yeah, lying on my unmade bed
Is a book I'll never read
'Cause the only story in this town
Is the one about you and me

And we'll always be together

We're always good together
And I can't wait to get you home
We're always good together

And with you I don't feel so alone

We're always good to
We're good together
Good to, good together
Always good together

Yeah, we're good together
Always good together
Good to, good together
