

# Back Biters

[Eric Donaldson](#)

Lyrics for Back Hitters by Eric Donaldson

I see them standing  
chipping and whispering  
they want another  
although they eat and drink with you  
and tells you how much  
you are the number one  
riding on the east parade  
but when you turn your back  
then they are talking  
on top of nothing about you  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
now any body  
wants to play the almighty  
and want to live my life for me  
tell them I say  
no tries  
“Although they eat and drink with you”  
Eric Donaldson  
although they eat and drink with you  
and tells you how much  
you are the number one  
riding on the east parade  
but when you turn your back  
then they are talking  
on top of nothing about you  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey

see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
see the back hitters  
dem ar call on dey  
see the hypocrites  
dem ar call on dey  
(Repeat till fades)
