Better Life

Keith Urban

Friday night and the moon is high
I'm wide-awake just watchin' you sleep
And I promise you you're gonna have
More than just the things that you needWe ain't got much now
We're just startin' out
But I know somehow
Paradise is comin'Someday baby
You and I are gonna be the ones
And good luck's gonna shineSomeday baby
You and I are gonna be the ones
So hold on
We're headed for a better lifeOh now there's a place for you and me
Where we can dream as big as the sky
I know it's hard to see it now
But baby someday we're gonna flyThis road we're on
You know it might be long
But my faith is strong
It's all that really mattersSomeday baby
You and I are gonna be the ones
And good luck's gonna shineSomeday baby
You and I are gonna be the ones
So hold on
We're headed for a better lifeSo hold on, hold on
C'mon baby, hold on
Yeah, we're gonna have it all
And oooSomeday baby
You and I are gonna be the ones
And good luck's gonna shine, yes it isSomeday baby
You and I are gonna be the ones
So hold on
Just hold onSomeday baby
You and I are gonna be the ones
And good luck's gonna shine, shine on downSomeday baby
You and I are gonna be the ones
So hold on
We're headed for a better lifeOh, a better life now
Oh, a better life, oh, oooHey we're gonna leave this all behind us baby
Wait and see
We're headed for a better life

You and meWe're gonna break the chains that bind and finally
We'll be free
We're gonna be the ones that have it all
You and meJust hold on tight now baby
