Steep

Ohbijou

Softly, gently, I will let you down
'Cause I don't love you in the same way now
I can hold you but not with lover's arms
'Cause you are more of a brother to me nowAnd I can lie next to you, but I can't lie to you
So walk into the sun and watch me run into the rain
For you the future's easy, so don't weep, for me it's getting steepI loved you for exactly who you are
And I'd say you've come the nearest yet by farAnd I can lie next to you, but I can't lie to you
So walk into the sun and watch me run into the rain
For you the future's easy, so don't weep, for me it's gettingSteeper and in the dark that's where I want to be
Deeper, I'm going somewhere you won't want to seeSo walk into the sun and watch me run into the rain
For you the future's easy, so don't weep, yes I will watch you
Walk into the sun and watch me run into the rain drops
For you the future's easy, so don't weep, for me it's getting steep
