Way Back When

Rae Morris

Dear god,
There is happiness all around me
Dear god,
I am watching this free for all
They say good things that happen have a reason
They say that reason comes when greatness fallsIts happened again,
I am stolen alive by my terrified side
I wont, wont sing again no
You pulled me through fire
I am terrified by you
Ways back when
We fight fire with fire again
Way back whenDear god
There is agony all around me
Dear god
I am watching from six foot tall
They say just lead a lifetime of forgiveness
Keep your hand on the side of the road just to let me fallIts happened again,
I am stolen alive by my terrified side
I wont, wont sing again no
You pulled me through fire
I am terrified by you
Ways back when
We fight fire with fire again
Way back when
Way back whenNow, I keep forgetting what I know
You, will sing forever whatever
Me, Ill never be alright
Come on lets start again
Come on lets start
Come on lets start againIts happened again,
I am stolen alive by my terrified side
I wont, wont sing again no
You pulled me through fire
I am terrified by you
Ways back when
We fight fire with fire again
Way back whenIts happened again,
I am stolen alive by my terrified side

I wont, wont sing again no
You pulled me through fire
I am terrified by you
Ways back when
We fight fire with fire again
Way back when
