

# You Can Close Your Eyes (with Ben & Sally Taylor)

Carly Simon

Well the sun is surely sinking down  
But the moon is slowly rising  
And this old world must still be spinning 'round  
And I still love you So close your eyes  
You can close your eyes, it's all right  
I don't know no love songs  
And I can't sing the blues anymore  
But I can sing this song  
And you can sing this song  
When I'm gone Well it won't be long before another day  
We're gonna have a good time  
And no one's gonna take that time away  
You can stay as long as you like So close your eyes  
You can close your eyes, it's all right  
I don't know no love songs  
And I can't sing the blues anymore  
But I can sing this song  
And you can sing this song  
When I'm gone
