

Mekon Headman

Wire

Mekon Headman
Combed Camp Delta
Down the path
Of no return
Refused demands to
Pay at gunpoint
A loco trio's
Doorstep plan Please let me
Help you remember
Your memory's shot
You've lost the plot
Please reveal
Your whole agenda
Your time is up
(You fâ€™â€™in' crumb)
The windshield holds up
On my auto
After a freeway
Bridge attack
Surgeon General's
Package warning
If you persist
Your time is up!
