

3/5 of a Mile In 10 Seconds

Jefferson Airplane

Do away with people blowin' my mind
Do away with people wastin' my precious time
Take me to a simple place
Where I can easily see my face
Maybe baby, I'll see that you were kind
Know I love you baby, yes I do
Know I love you baby, yes I doDo away with people laughin' at my hair
Do away with people frownin' on my precious cares
Take me to a circus tent
Where I can easily pay my rent
And all the other freaks will share my cares
Know I love you baby, yes I do
Know I love you baby, yes I doDo away with things that come on obscene
Like hot rods, pre-cleaned real fine nicotine
Sometimes the price is sixty-five dollars
Prices like that make a grown man holler
'Specially when it's sold by a kid who's only fifteen
Know I love you baby, yes I do
Know I love you baby, yes I do
