

# Porno Starlet vs. Rodeo Clown

## Califone

The porno starlet hovers in the eaves  
Watching her own body fake and writhe  
Mascara around her cataract eyes, bruises on her knees  
She goes home to a rodeo clown  
Pissing on his hands for luck  
Dragging from the balls of a bull  
Concussion barrel sings  
Make you mean, half a lie  
Sugar and milk baked into your steel  
Save a peace, a peace for home  
Unbroken streak, sleepwalk through  
Starting to believe your own eyes  
The plans are tearing in the wind  
A steamboat lands on a flypaper bed  
Sink down into you  
Powder moth, save my page  
Sad decoration, horse sized pill  
Save a peace, a peace for home  
Unbroken streak, sleepwalk through  
The porno starlet hovers in the eaves  
Watching her own body fake and writhe  
Mascara around her cataract eyes, bruises on her knees
