

# Why I Love You

B2K

Oh, yeah uh, I love you  
Check this out From day one you and I've been friends  
Hanging' out, having' fun, chilling'  
Now I know at times I got crazy  
Silly ways and actin' shady  
Ha, ha ha ha, check this out You peep things in me no one sees  
You hold it down for sheezy  
Now I have friends I thought were true  
But no one more true than you  
So what am I gonna do? It took a while for me to see  
How special you treated me Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you No other girl is quite like you  
And no one has my back like you do  
Girl, you're one of a kind  
And you blow my mind, baby  
And I'm glad to say you're mine Girl, you're the one who changed me  
From a boy into a man, yeah, yeah, yeah Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you It took a while for me to see  
How special you've treated me Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you Maybe that's the reason why I love you  
(Why I'm so crazy over you)  
You're my heart, girl  
And with all the crazy things that I do  
(Oh, crazy things that I put you through)  
You're still here. girl No one else can make me feel like you do  
(No one else can make me feel this way)  
You've shared my world

Baby that's the reason why I love you I love you  
Maybe that's the reason why I love you
