

Iâ€™ll Be Holding On

Snowy White

You said you would need, change of seats
I think I know, just what you need
Then you turned your head, walked away
I've been standing in the shadows, ever since that day

You said you wanted, to be free
You did not like, the change in me
Did you really think, I'd let you go
Ill be waiting for, the chance to try once more
When you're feeling down, I still be around

I'll be holding on
I'll be holding on
I'll be holding on
I'll be holding on

The grass seems greener, over there
But don't burn the bridge, and tell you're sure
In the silence of my lonely room
I'll been waiting for, you to change your tune
You could cheat me blind, but baby I don't mind

I'll be holding on
I'll be holding on
I'll be holding on
I'll be holding on

When you're feeling down, I still be around

I'll be holding on
I'll be holding on
I'll be holding on
I'll be holding on
