Jesus Nitelite

Eve 6

Yeah, yeah
Your eyes shine bright like a Jesus nitelite
I'd like to touch your positive vibes
Indifferent eyes won't give me the time
May I help put aside your moral fiber?
You're dressed in white my face is white
I'd like to be a colorful sight to see
I'm only here in background here on the ground lies my head
I sleep and then I wake make sounds and go to bed and wake again
The time is right but I feel all wrong
It wastes away until it's gone
The time is right but I feel all wrong
It fades away and now you're gone

Yeah my time is right but still I feel all wrong
It wastes away and now you're gone
You're walking by, I'm standing by
Behind the light I'm standing by
By and by
The time is right but I feel all wrong
It wastes away until it's gone
The time is right but I feel all wrong
It fades away and now you're gone
Yeah my time is right but still I feel all wrong
It wastes away until it's gone and now it's gone
And here we go
Yeah yeah yeah, oh oh oh oh
Yeah yeah, oh oh oh oh oh oh oh oh oh
