

# A Hundred Pounds of Clay

[Craig Douglas](#)

He took a hundred pounds of clay  
And then He said "hey, listen  
I'm gonna fix this world today  
Because I know what's missin'  
Then He rolled his big sleeves up  
And a brand-new world began  
He created a woman and a-lots of loving for a man  
Whoa-oh-oh, yes he did

With just a hundred pounds of clay  
He made my life worth livin'  
And I will thank Him every day  
For every kiss you're givin'  
And I thank Him every night  
For the arms that are holdin' me tight  
And He did it all with just a hundred pounds of clay  
Oh-oh-oh, yes he did

Now can'tcha just see Him walkin' a-round and round  
Pickin' the clay up off of the ground?  
Doin' just what He should do  
To make a livin' dream like you  
He rolled His big sleeves up  
And a brand-new world began  
He created a woman and a-lots of lovin' for a man  
Whoa-oh-oh, yes he did

With just a hundred pounds of clay

People, let me tell ya what He did  
With just a hundred pounds of clay  
People, let me tell ya what He did  
With just a hundred pounds of clay  
People, let me tell ya what He did  
With just a hundred pounds of clay
