

51st State

New Model Army

Look out of your windows, watch the skies
Read all the instructions with bright blue eyes
We're W.A.S.P's, yeah proud American sons
We know how to clean our teeth and how to strip down a gun 'Cause we're the 51st states of America
Yeah, we're the 51st states of America
This is the 51st states of America Our star-spangled Union Jack flutters so proud
Over the dancing heads of the merry patriotic crowd
Yeah tip your hat to the Yankee conquerors
We've got no reds under the bed with guns under our pillows We're the 51st states of America
Yeah we are the 51st states of America
This is the 51st states of America
Ohohoho, Ohohoho Here in the land of opportunitys - ha!, watch us revel in our liberty
Where you can say what you like, but it doesn't change anything
Because the corridors of power, they're an ocean away We're the 51st states of America
Yeah we're the 51st states of America
Ih, ih, ih, 51st states of America
This is the 51st states of America
Ohohoho, Ohohoho, Ohohoho...
