

# Someday After a While

Eric Clapton

I've got to ride that lonesome train  
My heart is heavy with aches and pain  
I said but someday, someday baby  
After a while, you will be sorry  
Every day my clouds are grey;  
It takes you to roll all those clouds away  
I said but someday, someday baby  
After a while, you will be sorry  
Trouble, trouble, trouble on my mind  
Trouble, trouble, way down the line  
I don't need, I don't need no sympathy  
So babe, babe, don't you, don't you pity me  
I may be blue, but I don't mind  
Because I know way down the line  
I said someday, someday baby  
After a while, you will be sorry
