

Fun And Games

Pennywise

Hey girl, you feeling real uptight
No fun and games for you this Friday night
Your daddy says you might as well go to school
He pays the bills so don't you be no fool
'Cause you're a young girl
And you're really not on your own
You're a young girl
And you shouldn't be allowed to roam
Now, listen to me and hear what I've got to say
Love will come your way one of these days
And in just a matter of time
Every little thing is gonna be just fine
'Cause you're a young girl
And you're really not on your own
You're a young girl
And you shouldn't be allowed to roam
You're a young girl
And you're really not on your own
No, you're a young girl
And you shouldn't be allowed to roam
'Cause you're a young girl
And you're really not on your own
You're a young girl
And you shouldn't be allowed to roam
You're a young girl
And you're really not on your own
No, you're a young girl
And you shouldn't be allowed to roam
