

Ultra Stimulation

[Finley Quaye](#)

Nobody knows her
Nobody knows her at all
And I ain't wondering why
I love that girl at all Love, love, love
Love that girl at all Hey, hey, yeah
Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration Anybody's music
Any dance at all
She just loves that dancing music Late, late, late
Late not dancing hall What you say?
Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration Well, if you're up and if you up we live it up
Well, if you're up and if you up we leave you up
Well, if you're up and if you up we give it up
Well, if you're up and if you up we leave you up She will guide I will follow
And she test all the swallow
And she cook up a fire
And she take it up stronger Anybody's music
Any dance at all
She just loves that dancing music Late, late, late
Late not dancing hall Hey, hey, hey
What you say? Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration
