You decide
Your misadventure
Spit at my lies
You don't have to fall down
You don't want to fall
You don't have to cry now
You don't want to cryYou're just a fuckin' lowlife
Your life's a fuckin' lie
You live in your mind
Screaming inside

-You don't try to be
You don't want to cry
-You're no fuckin' good
You don't want to see me
-Not fuckin' again
You don't want to see
-We will dieREPEAT CHORUSYour life is propoganda
