

# Stronger (feat. Alex Newell & Sean Bass)

## Clean Bandit

People tell me to be cautious  
People tell me not to lose my self control  
People tell me to be flawless  
People tell me not to let myself evolve  
And I think I don't really get it  
I think it's all just a peculiar game  
And soon I'll wake up and I'll forget it  
And everyone will know me by a different name  
I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger would you believe  
That I could love you like you want me to?  
Love me like you want me to  
Like you want me to  
Love me like you want me to  
Like you want me to  
I held my breath every time  
I tried to keep myself dry  
But did I ask too much?  
If I could do it again  
Would you believe what I said  
That I still want that rush  
And I think I don't really get it  
I think it's all just a peculiar game  
And soon I'll wake up and I'll forget it  
And everyone will know me by a different name  
I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger would you believe  
That I could love you like you want me to?  
I want to be strong for you, oh  
(Love me like you want me to, like you want me to)  
I want be strong for you  
(Love me like you want me to)  
I want be strong for you  
And I can, yes I can  
If only you could promise that you will try too  
I'll be there, I'll be there  
I want to be strong for you  
If only you could promise that you will try too  
I'll be there, I'll be there  
I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger would you believe  
That I could love you like you want me to?  
I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger would you believe  
That I could love you like you want me to?  
Love me like you want me to

Like you want me to  
Love me like you want me to  
Like you want me to
