

Never Turn Away

Orchestral Manoeuvres In the Dark

Save it for the next time
Hands over my head
Faintest sound of lightning
Faintest sound I heard Ill never, no, no
Ill never All around my body
All around my feet
Please they are watching now
Placed around my feet All around my body
Please they are watching now Save it for the next time
Hands over my head
Faintest sound of lightning
Faintest sound I heard Ill never, no, no
Ill never
Ill never, no, no
Ill never All around my body
Please they are watching now
