

Hallo Spaceboy

David Bowie

Hallo Spaceboy
David Bowie
Spaceboy, you're sleepy now
Your silhouette is so stationary
You're released but your custody calls
And I want to be free
Don't you want to be free
Do you like girls or boys
It's confusing these days
But Moondust will cover you
Cover you
This chaos is Killing me
So bye bye love
Yeah bye bye love
Bye bye love
Yeah bye bye love
This chaos is killing me
Hallo spaceboy
You're sleepy now
You're silhouette
So stationary
You're released but your custody calls
And I want to be free
Don't you want to be free
Do you like girls or boys
It's confusing these days
But Moondust will cover you
Cover you
And the chaos is killing me
Yeah bye bye love
So bye bye love
Yeah bye bye love
So bye bye love
This chaos is killing me
Moondust
will cover you
This chaos is killing me
Moondust
Will cover you

Yeah bye bye love
Moondust
Will cover you
Bye bye love
Moondust
Will cover you
Good time love
Moondust
Moondust
Will cover you
Sweet sweet love
Moondust
Moondust
Will cover you
Bye bye spaceboy
Moondust
Moondust
Will cover you
Bye bye love
Moondust
Moondust
Will cover you
Moondust will cover you
Moondust
Moondust will cover you
Moondust
Cover you
Moondust will cover you
Moondust
Cover you
Moondust will cover you
Moondust
Cover you
Moondust will cover you
