

Scurvy

Captain Bogg & Salty

(Captain Angus Bogg) (SCURVY! HA HA HA HAR!

There is scurvy (scurvy! scurvy!) on a pirate ship.

It'll rot your bones,

So here's a little tip.

When there is scurvy (scurvy! scurvy!) on your pirate ship

Eat a lime (eat a lime).

Eat a lime (eat a lime).

There is scurvy on a pirate ship.

It'll rot your bones,

So here's a little tip.

When there is scurvy on your pirate ship

Eat a lime (eat a lime!).

Eat a lime (eat a lime!).

(Bogg) LIVELY NOW BOYS!

WHAT ELSE WE GOT ON THIS HERE PIRATE SHIP?! HAR HAR HAR!

(Crew) CANNON BALLS!

There are cannon balls (cannon balls! cannon balls!) on a pirate ship.

We'll need forty-four

Just to last the trip,

So load those cannon balls (cannon balls! cannon balls!). Let the powder rip.

Watch 'em fly (watch 'em fly!).

Watch 'em fly (watch 'em fly!)

There are cannon balls on a pirate ship.

And there's scurvy.

Let us not forget

When there is scurvy on your pirate ship

Eat a lime (eat a lime!).

Eat a lime (eat a lime!).

(Pirate 1) HEY! WHAT ELSE WE GOT ON THIS PIRATE SHIP? HUH? GUYS?

(Crew) PEGLEGS!

There are peglegs (peglegs! peglegs!) on a pirate ship.

When you dance a jig

It's easier to slip
When there are peglegs (peglegs! peglegs!) on a pirate ship,
So dance a jig (dance a jig!).
Dance a jig (dance a jig!).

There are peglegs on a pirate ship
Along with cannon balls.
Let the powder rip.
Don't let the scurvy ruin the trip.
Eat a lime (eat a lime!).
Eat a lime (eat a lime!).

(Pirate 2) WHAT ELSE WE GOT ON A PIRATE SHIP CAP'N?

(Pirate 3) BUNNY RABBITS!

Hey! There are bu n ny r ?

(Pirate 2) Bunny rabbits?

(Pirate 3) Wha-wha. I thought we had some.

(belch)

(Crew) RUM!

There is rum (rum! rum!) on a pirate ship.
If you drink to much
The ship will tip.
Drinkin' rum (rum! rum!) on a pirate ship
You better share (you better share!).
You better share (you better share!).

There is rum on a pirate ship
Along with peggy legs and cannon balls
Enough to last the trip.
But there is scurvy on a pirate ship,
So eat a lime (eat a lime!).
So eat a lime (eat a lime!).
So eat a lime (eat a lime!).
'Cause scurvy don't taste good.
(Crew) EAT A LIME!
