Dinner Lady Arms

The Darkness

We had a good thing, it was a blast.
That was a long time in the past.
You went through changes & I went away.
And I have regretted that to this day.

I may not always have quite so much hair.
But what you saw in me will hopefully always be there.
I'll never hurt you again, I swear.

So put your arms around me,
Your dinner lady arms
Your dinner lady arms

I couldn't figure out where you'd figure I'd gone
Thought that I could live without you baby I was so wrong.

So put your arms around me,
Your dinner lady arms

Forgive and forget I caused you some pain.
Find it in your heart to start again.

Now I may not ever be your Mister Right.
But I'm happy to be your mister that will do for. tonight.
I'll never let you out of my sight.

Light years passed on a Summers' day.
But it's what we are forgetting, it's not too late.

Put your arms around me, your dinner lady arms dinner lady arms
Put your arms around me, your dinner lady arms dinner lady arms

Forgive and forget I caused you some pain.
Find it in your heart to start again.
Now I may not ever be your Mister Right.
But I'm happy to be your mister that will do for tonight.
I'll never let you out of my sight.

So put your arms around me, your dinner lady arms

So put your arms around me, your dinner lady arms

I couldn't figure out where you'd figure had gone
Thought that I could live without you baby I was so wrong

Put your arms around me,
Your dinner lady arms, huh!

Light years passed on a Summers' day.
But it's what we are forgetting, it's not too late.

Put your arms around me,
Your dinner lady arms dinner lady arms !!!
