Juice

Dogwood

Come back again
I need this more than you could know
Stress importanceTo tell the truth, don't let 'em down
And make sure that she's a winner
Your expectations only let you downSeems like everyone is at the top
And I am pulling at the bottom
Grabbing at the air with both hands and heartNow with both hands apart
Hands can do no more
I give up when nothing ever goes rightDry and defeated
Still I can't find any reason
To carry this penCarry this weight till I collapse
Under boulders of confinement
Your expectations only let me downPut me down 'cause I am sick of writing
Get me out before I break, squeeze me like I'm citrus
And my thoughts are running down your chinDrink up to the vacancy of my head
Feels as if it's gonna fall to pieces
Fall, fall, fall, fall, fall
