Absolute Zero

The Reasoning

ABSOLUTE ZERO
Can we begin at the end?
To Save Some time
Bags and our War Planes are Gathered
The Clock is ticking you have no authority
Float like a dead man down the river
And there are no streets in this air.....
Etcetera is my worst enemy
Its wrong and I know
And I will go
To the Big Hand of the God Damned
The Middle Ground is Absolute Zero
What Can be found at Absolute Zero?
Can We Begin at the end?
To Save some time

Etcetera is my worst enemy
Its wrong and I know
And I will go
To the big hand of the God Damned
The Big Hand of the Small Man
The Middle Gorund is Absolute Zero
What can be found at Absolute Zero?
A Happy End is Absolute Zero
Nobody Wins at absolute Zero.....
What's That?
Nothing
What's That?
Nothing
Nothing
Nothing
