By Heart

Jim Brickman

Hold me close, baby please
Tell me anything but that you're gonna leave
As I kiss this fallen tear
I promise you, I will be hereUntil the stars fall from the sky
Until I find a reason why
And darlin', as the years go byUntil there's no tears left to cry
Until the angels close my eyes
And even if we're worlds apart
I'll find my way back to you, by heartWhen you go, I'll stop the clock
I won't ever let this moment stop
Time is stealing you from me
But it can never take this memoryUntil the stars fall from the sky
Until I find a reason why
And darlin', as the years go byUntil there's no tears left to cry
Until the angels close my eyes
And even if we're worlds apart
I'll find my way back to you, by heartUntil the stars fall from the sky
Until I find a reason why
And darlin', as the years go byUntil there's no tears left to cry
Until the angels close my eyes
And even if we're worlds apart
I'll find my way back to you, by heart
