

# Dedicate

## Runner Runner

All I (all I) hear is your voice,  
A whisper away (a whisper away)  
Always calls to me  
All I (all I) keep with me are memories of you  
(are memories of you)

Wonder what it's like out there  
Hoping all your good dreams come true  
When you float out above  
Does the world finally come into view?

Today I dedicate to you  
Today I dedicate to you  
I wont let you go  
I need you to stay  
There's a place in my heart  
That just won't be the same  
Today I dedicate to you

All I (all I) hear are your words,  
They carry me, carry me  
Everywhere I go (I go)  
And all I (all I) dream of is me next to you

Did you find yourself out there?  
Did you really find out the truth?  
(find out the truth)  
Well I guess heaven knew  
That we all see the angel in you  
When you float out above  
Does the world finally come into view?

Today I dedicate to you  
Today I dedicate to you  
I wont let you go (I wont let you go)  
I need you to stay (I need you to stay)  
There's a place in my heart  
That just won't be the same  
There's a place in my heart  
That just won't be the same

Without you, you, you

Can I say I miss you down here?  
And I'm not, not alone  
Can I say I miss you down here?  
And I'm not, not alone

Today I dedicate to you  
(Today I dedicate to you)

Today I dedicate to you  
Today I dedicate to you (ooh)  
Today I dedicate to you  
Today I dedicate to you (ooh)  
I won't let you go (I won't let you go)  
I need you to stay (I need you to stay)  
There's a place in my heart  
That just won't be the same  
I won't let you go (I won't let you go)  
I need you to stay (I need you to stay)  
There's a place in my heart  
That just won't be the same  
There's a place in my heart  
That just won't be the same  
Without you, you, you
