

# Partyman (Extended Version)

## Prince

"Gentlemen, let's broaden our minds! Lawrence!" Oh, yeah yeah!

All hail the new king in town

Young and old, gather 'round (Yeah)

Black and white, red and green (Yeah, funky)

The funkiest man U've ever seen

Tell U what his name is Partyman, Partyman

Rock a party like nobody can

Rules and regulations, no place in this nation

Partyman, Partyman

Party people say it now (Yeah, yeah, yeah, yeah, yeah)

Somebody holla if U wanna party {crowd noise}

"Ladies and gentlemen, no pictures please" Get it up, oh yeah!

Partyman, P-Partyman

Get it up, g-get it up, yeah

"Ohh, I love purple!" I rock the party, I rock the house

I rock the whole world north, east and south

In the west, 17 horns blowin'

Partyman, Partyman (Lose me old boy)

Get it up, sing!

"All hail the new king in town!" Ain't nuthin but a muffin

We got a lotta butter 2 go (Say I oughta knock U in, but don't come no)=

If it break when it bend

U better not put it in

Get it up (Ride 'em, boy)

Partyman, P-Partyman (P-P-Partyman, Partyman)

Partyman, Partyman Young and old gather 'round

Everybody hail the new king in town!
