

Living Proof (feat. Royce Da 5'9")

Eminem

Dont stop
dont stop Yeah, Bad and Evil is (BACK)
we bout to get into a tail of gunner that details the dungeon
this is the pale moon illuminates the hail and thundering
oh once again where I fail from blundering
Shady lifted his wing than I fell from under it
now Im freefallin
my career is gone and the weed callin
regardless of whos fault I was b-ballin
God bubble wrapped me and dropped me on top of the Earth
Marshall double backed and got me from on top of the Hearse
Im alive n-gga, Justin T aint got nothing on me
cause I done cried Mary J Blige rivers
I realised that Gods with us as soon as I decided to put that bottle down and pick
up my tie bridges
the writings on the wall since n-ggas seen me at the baseball game with Shady and
Jay-Z
suddenly everybody calls
like Im just checking on you dogwhile I throw up this message on the star
when them bottles stop poppin
and them dollars start stopping
do what you did to get it and dont stop (dont stop)
I made a promise to my mommaImma out live her
How can I be a quitter when haters dont stop (dont stop)Im living proof n-gga
its pretty safe to sayGod giveth and God taketh away
its the Worldwide American way
Im living proof n-gga
Your body language is sayin your confidence is gone
well pick ya ass up lil homie, come on
you just gone sit there and take it or make em suck it
tell em where to shove it straight up (?)
f-ck it,
the last time the light kicked me in the ass
I pulled down its pants and put a foot up its ass
man what a catastrophe itd be for me to be a bitch ass p-ssy
and not open a can of whoop ass
did ya piss ass whoop me will be the day I say I aint poop
shit, the day that I dont straight shoot
Ill drop out of my anti-women hate group

say Im a sissy faggot, record it play it back and put it on straight loop
you haters look like you ate a grape fruit
you see me climbing back on that wagon
got my swagga back I was dragging, hop back on it
grab the reigns on that bastard and came back on emwithout remorse man
man of course Im a one trick pony
cause Ill be screaming on these horns till Im hoarse!
when them bottles stop poppinand them dollars start stopping
do what you did to get it and dont stop (dont stop)I made a promise to my momma
Imma out live her
How can I be a quitter when haters dont stop (dont stop)
Im living proof n-gga
its pretty safe to sayGod giveth and God taketh away
its the Worldwide American way
Im living proof n-gga
Nah I aint fading yet
Id rather stay and rapI mighta made a deck
I find excitement in wondering what Ima write next
so I dont stay in debt
me broke

you might aswell cut the embryo out my momma and play catch with the babywith AKs with baby bayonets

Ima get rich or Imma die trying
thats why its either kill or be killed
so call me suicide homicide Ryan
Theres a bomb inside my head
Ima live wire, I am on the edge
teetering on it like I tore the iron mikeget on a nut like a tyre iron
I have no desire stopping so why would I drop and roll
thats how much Im flying higher(?)rappers are fun and Im the time cause Im just flying by em
man Im laughing at em the entire time, why am I up?
cause tribulations I have triumphed bitch Im fired up
so its time for me to slit your f-cking lighter, light the sky up
when them bottles stop poppin
and them dollars start stopping
do what you did to get it and dont stop (dont stop)
I made a promise to my momma
Imma out live her
How can I be a quitter when haters dont stop (dont stop)
Im living proof n-gga
its pretty safe to say
God giveth and God taketh away
its the Worldwide American way
Im living proof n-gga
