

The Allnighter

Spotrunnaz

Lonely girl, rainy night

Lookin' for that number

She needs someone to treat her rightThere's plenty of men she could call
But she wants him most of all

Oh God, I hope he's home tonightShe needs a love from a real exciter
She needs the allnighter, the allnighterHe's the one, the one she calls
When she gets that feeling

Some nights she just can't stop herselfHe's tough and tender, a soul bender
Ain't no service he can't render

He touches her like nobody elseHe brings out the love, love
Love deep inside her, he's the allnighterNow when all the stimulation
Let's you down, down, down

And there ain't no medication

Layin' around, 'round, 'roundYou feel your little heart
Begin to pound and pound

He's a satisfier of that one desireOther guys come and go
They may try but they don't know

Every girl needs special careOh, he's so bad, he's so good
He makes it feel just the way it should

Nobody else can take her thereHe's the real thing, the pure delighter
He's the allnighter, the allnighterIt's getting lighter
There goes the allnighter
