

Enough

Simply Red

Alright, you're right, let's talk it over now
Talk it over now, I'm wrong, you're gone
So you're serious, really serious
You're saying I'm insane, oh that's craziness
Craziness, I'm trying to find
It's real meaning, insanity When I get home again, everything we said
It seemed to hold us, back again, again
When I get home then, we try to make it better
In the same damn way again, again So long, you're gone, you're really leaving me, leaving
There's no prize for goodbyes, no joy either, either
You're saying I'm insane, oh that's craziness
Craziness, I'm trying to find
It's real meaning, insanity When I get home again, everything we said
It seemed to hold us back again, again
When I get home then, we try to make it better
In the same damn way again, again Enough, I've had enough
Oh in love
I've had enough Enough, I've had enough
Oh in love, I've had enough
I can't take, we can make it
I can't stay there, I can't
No I'm leaving
