

Shorty Wanna Be A Thug

2Pac

Say he wanna be
Shorties gonna be a thug
Said he gonna be
One day he's gonna be
Said he's wanna be
Shorties gonna be's a thug
Said he's gonna be
One day he gonna be
Say he wanna be
Shorties gonna be a thug
Said he wanna be
One day he's gonna be
Said he wanna be
Shorties gonna be a thug
He was a nice middle class nigga
But nobody knew the evil he'd do when he got a little bigger
Get off the final blaze
While puffing on a Newport
Plottin' on a another way to catch a case
Was only sixteen, yet convicted as a felon
With a bunch of old niggas
But you the only one who ain't telling
I tell you it's a cold world, stay in school
You tell me its a man's world, play the rules
And fade fools, 'n break rules until we major
Blaze up, getting with hoes through my pager
Was raised up, commencing to money makin' tactics
It's getting drastic, niggas got automatics
My fingers on the trigga, tell the lord
To make way for another straight thug nigga
I'm sitting getting buzzed, looking for some luv
From the homies, 'cause shorty wanna be a thug
Said he's gonna be
Say he wanna be
But said he's gonna be
Shorties gonna be a thug
Said he's gonna be
But says he wanna be
But said he's gonna be
Shorties gonna be a thug
Said he's gonna be

But say he's gonna be
 Say he wanna be
 Shorties gonna be a thug
 Said he wanna be
 One day he's gonna be
 Said he wanna be
 Shorties gonna be a thug
 Straight from the Hall to the Penn
 Adolescent nigga scaling weight and standing six feet ten
 He carried weight like a Mack truck
 Gonna bust on some playa haters
 If the mutha fuckas act tuff
 Then that's when the lethal weapon with the razor
 This little nigga smoking weed and getting blazed up
 No one could figure, when the guns blast pull the trigger
 Could take the life of a young nigga guns bigger
 No mother and father, you see, the niggas all alone
 Old timers my role model, the war zone
 Released with this game 'til it's a part of me
 My heart don't beat no fear and it ain't hard to see
 The future is looking dim
 I'm trying to make a profit out of living in this sin
 I'm in the dark getting buzzed, looking for some love
 Out with the homies, 'cause shorty wanna be a thug
 Say he's gonna be
 Said he's gonna be
 One day he's gonna be
 Shorties gonna be a thug
 Said he's gonna be
 One day he's gonna be
 Said he's gonna be
 One day he's gonna be
 Shorties gonna be a thug
 Said he's gonna be
 One day he's gonna be
 Said he wanna be
 Shorties gonna be a thug
 Said he wanna be
 One day he's gonna be
 Said he wanna be
 nna be a thug
 Shorties gonna be a thug
 You little bad ass nigga (to the y
 Gotta stay sharp nigga, play your part
 You got plenty of time (you bad mutha'fuckas)
 You only get three mistakes, then that's life, big baby (niggas crazy)
 Watch the signs
 Damn, you ain't but sixteen nigga?
 Sixteen!

That's a bad mutha'fucker
