

# For A Thousand Years

[Marc Johnson](#)

Heart beats fast  
Colors and promises  
How to be brave  
How can I love when I'm afraid to fall  
But watching you stand alone  
All of my doubt suddenly goes away somehow  
One step closer  
I have died every day waiting for you  
Darling, don't be afraid I have loved you  
For a thousand years  
I'll love you for a thousand more  
Time stands still  
Beauty in all she is  
I will be brave  
I will not let anything take away  
What's standing in front of me  
Every breath  
Every hour has come to this  
One step closer  
I have died every day waiting for you  
Darling, don't be afraid, I have loved you  
For a thousand years  
I'll love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more  
One step closer  
One step closer  
I have died every day waiting for you  
Darling, don't be afraid, I have loved you  
For a thousand years  
I'll love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more
