## **Kazuality**

## **Blonde Redhead**

I want you too shy one time one two slow kid and kiss one line get ahead get inside i was wrong yes or no king of skills rubber man kazualityi want you to shout one shout one down slow dance to the host with ambition learn to learn open wide when we meet when we please get attacked get inside kazualityone down one crown no shame like a fire timeless fire that burns me to you, you to me old love new idea
